

Soil Health and Your Wealth

Nutrition Farming Strategies Explained – 3 Day Course

Presented by Willarra Gold 

You are invited to a three-day seminar/workshop featuring a world leader in high production, regenerative agriculture. Author/educator/farmer **Graeme Sait** is an acclaimed speaker, and host of the popular [Nutrition Farming Podcast](#). Graeme is the author of hundreds of articles and two books. He has trained over 40,000 farmers and consultants on four continents and often consults at Governmental level, as part of his contribution to the regenerative revolution.

This information-packed workshop will focus upon practical, problem-solving strategies to boost productivity and profitability, sustainably. A detailed program is included below.

The seminar takes place on 10 - 12 October 2022. Morning tea, lunch & afternoon tea will be provided.
